Some things to consider:

- Before purchasing a backdrop you'll want to confirm that you can fit that height in your venue. If the ceiling where you want the step and repeat is only 8 feet high you'll want to make sure you don't show up with a 10 foot tall backdrop. Most of the backdrops we provide are 8 feet tall but can go up to 12 feet.

*For safety and structural reasons we do not sell frames more than 10-12 feet tall or longer than 20 feet wide.

- An 8 foot by 10 foot Expand Backdrop wall can shrink down to a rectangle measuring 3 feet long by 1 foot wide for easy portability and storage.

We want to find the perfect fit for your event vision and your budget. This is why companies that work with us come back year after year. We provide step and repeat backdrops and displays for events across North America from smaller Not For Profits to Huge International Charities like WE Charity and MS society.
