## Some things to consider:

- Before purchasing a backdrop you'll want to confirm that you can fit that height in your venue. If the ceiling where you want the step and repeat is only 8 feet high you'll want to make sure you don't show up with a 10 foot tall backdrop. Most of the backdrops we provide are 8 feet tall but can go up to 12 feet.

\*For safety and structural reasons we do not sell frames more than 10-12 feet tall or longer than 20 feet wide.

- An 8 foot by 10 foot Expand Backdrop wall can shrink down to a rectangle measuring 3 feet long by 1 foot wide for easy portability and storage.
